## **Brackets Rules**

**3 TEAM BRACKETS.** Each team plays the other two teams in the bracket. The top two teams after round robin play will compete in a Championship match. Tie Breaker Rules apply.

**4 TEAM BRACKETS.** Each team will play the other three teams once for a total of 3 matches per team. Champion and Finalist are determined by point standings at the end of round-robin play. Tie-breaker rules apply

**5 TEAM BRACKETS.** Each team will play the others once for a total of 4 matches per team. Championship and Finalist are determined by point standings at the end of round-robin play. Tie-breaker rules apply

**6 TEAM BRACKETS.** 6 teams will be divided into two flights of 3 teams. Teams will play the other two teams in their flight once. After these two games, the top two teams from each bracket will compete in a semi-final match against one of the top two teams from the other bracket. The two remaining teams play each other in a consolation match. The winners of each semi-final will meet in a Championship Match. Tie-breaker rules will apply.

**7 TEAM BRACKETS.** There is absolutely no fair way to schedule a 7-team group. We will avoid these at all costs. But should we need to have a 7-team bracket, each team will play 4 other teams who are randomly selected. Teams will not meet each other more than once. Championship and Finalist will be determined by point totals. Tie-breaker rules apply

## **Division Winners & Tie Breaker Rules**

Each team will be awarded three (3) points for a win, one (1) point for a tie, and no points for a loss. A match that has been canceled by the Tournament Officials will be awarded a 0-0 tie. At the end of the preliminary rounds, the division winner will be the team with the most points in their division. If a team withdraws from the Tournament prior to a semi-final or championship match, the next place team in that bracket will replace the withdrawn team in the match. If that team is unavailable, the next place team after that will replace them. In the event of a tie within a division, the following criteria will be used to determine the winner:

1. Winner of head-to-head competition
2. Most wins
3. Goal Differential (max 3)

4. Least goals allowed during preliminary matches
5. Most shutouts during preliminary matches
6. Penalty Kick shoot-out (to be scheduled at Lake Shore headquarters, or appropriate location)

If three or more teams are tied for first, the first tiebreaker will be Step 2, Most Wins and Step 3 through Step 5 will follow. Once one team is eliminated, the process from Step 2 is repeated until only two teams remain. The remaining two teams revert to Step 1 (head-to-head) and follow Steps 2 through 6 to determine the winner.

In the semifinals (if any) and championship matches, FIFA Penalty kicks will decide the outcome of a match that ends in a tie score at the end of regulation play. The penalty shootout will be conducted as follows:

1. Only the players on the field at the end of regulation play are eligible to participate in the penalty kicks.
2. The referee shall decide the goal at which all the kicks shall be taken.
3. The captain of the team winning the coin toss decides whether to take the first or second kick.
4. No player may shoot a second time until all eligible teammates (including the goalkeeper) have taken a kick.
5. Each team takes five (5) shots, alternately. The team scoring the most goals wins.
6. If the score is tied after five (5) shots by each team, the taking of shots continues, alternating, until one team scores and the other team does not.
7. Other than the shooter and the two (2) goalkeepers, all eligible players must remain in the center circle while the shots are in progress.

FIFA Laws of the Game concerning substitutions will be followed with the modifications outlined below and with the referee's permission:

1. After a goal has been made
2. At a goal kick by either team
3. At the beginning of the second half of play
4. At a throw-in (if the team with possession subs a player, the opposing team may also sub)
5. For an injured player(s) one for one. The player may return after treatment, at the next available substitution time and must check back in with the referee to indicate treatment has been complete.
6. All substitutions must enter and leave the field from the halfway line.
7. Unlimited number of substitutions is allowed during a match. In the Under 18 age group FIFA limited substitution rules apply.
8. Players receiving a second caution (yellow card) during a single match will be sent off and the team will play down a player (no substitution).
9. Players sent off for a Red Card will not be substituted for and the team will play down a player for the rest of the match.

## **Conduct**

Accumulated Yellow Card Policy – Any player receiving two (2) yellow cards in the Tournament will sit out the next match following receipt of the second yellow card. This rule applies to any play off or championship match as well. Please note this is policy of Maryland State Youth Soccer Association.

Players are expected to conduct themselves within the spirit, as well as the letter of the laws. Display of temper or dissent is cause for ejection from the match and surrounding field area. Repeated violations may result in the suspension or expulsion of the team from the Tournament as decided by the Tournament Director.

Players, coaches, or team officials ejected from a match (red card) by the referee shall be ineligible for the next two (2) scheduled matches including championship matches.

Red cards issued after the end of regulation play or because of physical assault are subject to review by Tournament Officials and more strenuous penalties may be imposed. If a coach receives a red card, Tournament Officials will review the referee report and make a final determination regarding the remaining and future participation in the Pasadena SC Classic.

In accordance with the USYSA *Tournament Hosting Agreement*, all red and yellow cards and other matters involving team conduct will be reported to the home club and State Association of the team involved as well as the US Youth Soccer National Office.

## **Heading Rules**

Heading the ball is prohibited in U11 games and younger. If deliberate, then the proper restart is an indirect free kick to the opposing team. If this occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If the play by the head is deemed inadvertent, then the proper restart is a dropped ball. \*If the U11 and U12 bracket are merged for bracket scheduling purposes, then the entire combined bracket will be prohibited from heading the ball.

## **Inclement Weather**

Weather related delays will be posted on the tournament web site. Regardless of weather conditions, coaches and their team MUST appear on the field, ready to play, as scheduled, unless otherwise notified by a tournament official. Only the referee or Tournament Committee can cancel or delay a match. Failure to appear will result in forfeiture of the match.

If a match must be stopped before halftime, a Tournament Official will rule on its rescheduling. Such a game may be temporarily halted and resumed, picking up where play stopped.

In the event of inclement weather, the referee or Tournament Official will have the authority to change matches as follows:

- Relocate or reschedule any match(es).
- Change the duration of any match(es).
- Cancel any preliminary match(es) that have no bearing on the selection of division winners.
- Preliminary matches terminated after one half of play because of weather shall be considered official and the score at the point of cancellation shall be the final score.
- Cancel the Tournament in part or whole. Any team disregarding a decision by the referees and/or the Tournament Official to either suspend or cancel tournament play, will be disqualified for the remainder of the Tournament and team entry fees will be forfeited. Additionally, Pasadena Soccer Club will file a written complaint with that team's National State Association.

## **Forfeits**

Game time is forfeit time. Teams not ready to play at their scheduled time will forfeit their match. A minimum of seven (7) players for U12 through U17 and five (5) players for U8 through U11 constitutes a team, and if the minimum number of players is present, the match may begin. If during the match a team falls below the minimum number of players, the match will be forfeited to their opponent.

Any team that has forfeited a match may not be awarded a division winner or wild card team. If an apparent group winner forfeits, the group team with the next best record will be named the division winner.

A forfeit shall be recorded as a 1-0 match. A forfeit in the preliminary rounds shall be awarded as three (3) points for the win. For tie breaking purposes, a one (1) goal differential point will be awarded. **No refunds will be issued to a forfeiting team.**

\*\*\*All tournament matches will be played in accordance with **FIFA** laws, **except as specifically modified herein**. The following statement of Rules and Regulations supplements the FIFA Laws of the Game.
